DID YOU KNOW?

Harriet Tubman will soon replace Andrew Jackson on our \$20 bills. She will be the first African-American and the first woman in more than 100 years. She was born a slave and died in 1913 as a free woman.

- **Her nickname was Moses as she led hundreds of slaves to freedom in the underground railroad.**
- **She had visions which she believed were from God telling her how to lead the slaves to freedom.**
- **Her favorite hymn was “Swing Low, Sweet Chariot”.**
- **Her last words referred to heaven. It’s reported they were, ‘I go to prepare a place for you’.**

*Adapted from Living Lutheran,
June 2016*

Small amount of books on the front hall table for summer reading. Make a donation for World Hunger.
